

SECTION-A

SCOPE OF WORK AND TERMS OF REFERENCE

Selection of Migration Support Centers/Post placement Support Centers
under Deen Dayal Upadhayay Grameen Kaushalya Yojana

1. Background:

ORMAS is an autonomous professional body under the aegis of Panchayati Raj Department, Government of Odisha. ORMAS was constituted under the Societies Registration, Act of 1860, in the year 1991, engaged in Livelihood promotion, Marketing of Rural Products, Skill Development & Placement and Mahila Kishan Sashaktikaran Pariyojana (MKSP) and operating in 30 districts of Odisha.

Ever since inception, ORMAS (Odisha Rural Development and Marketing Society) is the first and only organization of its type, under the Panchayati Raj Department, Government of Odisha, facilitating sustainable livelihoods for rural producers, under different poverty alleviation programmes. In the process, providing training, capacity building, value addition, adopting key activity approach and adopting clusters, thus bringing economic hope and promise to rural Odisha and India.

ORMAS is the nodal agency for the implementation of the DDU GKY project in the state. The total training target for the financial year 2015-16 is 50000 and the placement target is 37503. However the spillover training target of 34900 and placement target of 26082 of the previous financial year 2014-15 has also been included in the current year's target amounting to a training target achievement responsibility to 84900 and the placement target to 63585. Till date ORMAS has achieved training of 43000 candidates and placed 20000 candidates.

2. Objective of ORMAS:

ORMAS has been instrumental in the field of skill development of rural youths of Odisha and it has been following certain mandates in order to ensure successful implementation of the programme:

- Mobilization of Rural Youth
- Skill Enhancement of rural youth
- Policy framing and advocacy for Skill Development Programmes
- Capacity Building of project implementing Agencies (PIAs) and Skill Development Cell
- Designing skill development promotional strategies
- Documentation of best practices on pilot basis and scaling up
- Placement and Post placement Tracking

3. DDU-GKY Programme in Odisha & Need for Migration Support/Post placement Support Centres:

Deen Dayal Upadhyaya Grameen Kaushalya Yojana (DDU-GKY) is the placement and career progression oriented skilling initiative of the Ministry of Rural Development, Government of India (MoRD). The

programme has its origins in the special projects component of the Swarnajayanti Gram Swarozgar Yojana (SGSY) and Aajeevika Skills Development Programme (ASDP) which provided timebound skill training and economic empowerment of BPL families. It is an important part of the current National Skill Development Policy and serves as one of the strategic intervention of National Rural Livelihoods Mission (NRLM). The programme aims to bring about rapid economic and social transformation among rural youth by linking them with formal wage employment and career progression opportunities. The focus of the initiative is on skill development enabling employment and career progression opportunities for the rural poor, especially the ones with limited access to decent employment.

In its conceptualization DDUGKY recognized the imperative of migration among youth that have received new employable skills and are in search for employment opportunities. In several cases the DDUGKY beneficiaries have to relocate from their native districts and/or states for work after being skilled through the programme. New to the city, confronted with lifestyle and cultural shocks and unfamiliar with the norms and demands of urban labour markets, most alumni face problems in adapting to the urban environment. Attrition among migrant alumni placed in faroff cities is high as they find it difficult to cope up with the isolation, regimented work conditions, high costs of living and return home early unable to integrate with the urban milieu.

Carrying the similar vision ORMAS (Odisha Rural Development and marketing Society) the SRLM at Odisha under Panchayati Raj Department, Government of Odisha which is the nodal agency for implementing the DDUGKY programme in the state has initiated the process of establishing Migration Support Centres/Post placement Support Centres in the locations where it has maximum concentration of the students placed through the programme. The State has been immensely working towards successful accomplishment of the programme. In due course of its implementation, the state has successfully completed training of more than 40000 candidates and placed around 20000 students both within and outside the state.

With this view, ORMAS has planned to establish Migration Support Centres/Post Placement Support Centres at three locations namely Bhubaneswar, Bangalore and Delhi NCR where maximum numbers of its trained candidates are placed.

3.1 Migration Support Centers/Post Placement support centers:

Migration Support Centers (MSCs) are conceptualized as walkin resource centers for successful trainees of DDUGKY, displaced from their native places in search of better employment prospects. MSCs are designed to offer counseling, access to information, acclimatization support and targeted services to vulnerable displaced workers.

In stage I, it is proposed to set up MSCs/PPSCs in the cities that receive large number of migrant youth. Creation of support centers at source locations of DDUGKY trainees would be undertaken in second phase.

A collection of services meant to reduce the hardships of young skilled workers coming to cities and enable greater returns from the urban labour markets are termed as migration services. Migration Support Services are proposed to be offered through a network of walkin resource centers catering to the requirements, and exigencies faced by workers and their families. The Core Migration Support Services include –

- > Registration of workers migrated out of their home (native) locations and facilitating access to identity related documents
- > Access to basic social services: housing related, schools, hospitals, etc.
- > Access to basic Government services, social programmes / schemes, etc.
- > Financial inclusion, bank linkages, salary remittance from remote locations, financial counseling, and linkages to social security
- > Healthcare counseling, health education and linkages with formal institutions/schemes

➤ Legal education, mediation and counseling services for workers facing disputes at work

[Note: Given that, DDUGKY enables identity creation within the trainee enrolment process with due linkages to Aadhar Card, there will be limited identity related support requirements for an alumnus of DDUGKY]
